Re: Sensible Cinema version 3.0.8

Dear Mr. Gordon,

This letter is to inform Sensible Cinema Systems (“Vendor”) that its payment application, Sensible Cinema version 3.0.8 (the “Application”), has received a grade of **PASS** from the PCI Security Standards Council (the “Council”) Quality Assurance Team. Your PA-QSA has been notified of this grade as well. This letter does not represent an endorsement of the Application, but rather validation that the minimum documentary requirements have now been met.

Having achieved a passing grade, the Council will list the Application on its Validated Payment Application List.

Your invoice for the annual Application listing fee should arrive at the end of August.

Please feel free to contact me with any questions you may have about this process.

Sincerely,

Nina Beardsley
