Subject: Integration Project: SensibleCinema_15175
Software name/version: Sensible Cinema Terminal Client:4.5.0
NETePay Hosted interface(s): dsiEMVUS

Dear Sensible Cinema Software,

Thank you for completing integration project SensibleCinema_15175 with Datacap Systems, Inc. Now that you have completed your certification and testing with Datacap's one-to-many integration, your application is now compatible with Datacap's [supported EMV devices](#) and [Processors](#) using the following transaction types:

- GetDevicesInfo
- EMVParamDownload
- EMVSale/EMVVoidSale/VoidSaleByRecordNo
- EMVReturn/EMVVoidReturn/VoidReturnByRecordNo
- EMVSale/AdjustByRecordNo
- Prepaid
- Store and Forward
- Surcharging
- Batch Commands (BatchSummary and BatchClose)

Please reach out to us with any questions or concerns. We look forward to working with you!

Sincerely,
Datacap Integration Team

 **Datacap Recommended Updates:**

- Add tags to support Purchase Card Level II data

What to expect: Now that you have completed your certification project, a member of our Sales team will be in contact shortly to assist you with implementation and production procedures.
